## NEW WESTMINSTER BY-LAWS.

## LIQUOR LICENSE BY-LAW.

*A By-Law to provide for the granting of Licenses for the sale of intoxicating liquors within the City of New Westminster, and to regulate places so licensed and to fix a fee for such license.*

WHEREAS it is expedient that provision should be made for issuing licenses for the sale of intoxicating liquors within the City of New Westminster, and regulating the houses in respect of which such licenses may be granted, and limiting the number of such licenses, and fixing the fee to be paid for such licenses;

Therefore the Mayor and Aldermen of the City of New Westminster, in Council assembled, under the powers contained in the "New Westminster Act, 1888," and the "New Westminster Act, 1888, Amendment Act," enact as follows:—

1. It shall be lawful for the Licensing Board for the City of New Westminster to direct the issue of licenses, either written or printed, or partly written and partly

printed, of the several kinds or descriptions following, that is to say:—

(a) Hotel licenses;

(b) Saloon licenses;

(c) Wholesale licenses.

2. Every such license shall authorize the person licensed to sell, subject to the provisions of this by-law and of the statutes relating to the sale of liquors, all spirituous and malt liquors, and all combinations of liquors and drinks, and drinkable liquids, which are intoxicating; and such license shall be signed by the City Clerk.

3. A hotel license or saloon license shall authorize the licensee to sell and dispose of any liquors in quantities not exceeding two gallons, which may be drunk in the hotel or saloon in which the same is sold.

4. A wholesale license shall authorize the licensee to sell and dispose of liquors in his warehouse, store, shop, or place defined in the license, in quantities of not less than two gallons in each cask or vessel; and whenever such selling by wholesale is in respect of bottled ale, porter, beer, wine, or other fermented or spirituous liquor, each such sale shall be in quantities of not less than one dozen reputed quart bottles; provided that none of the liquor so sold shall be consumed in or upon the premises in respect of which the license is granted.

5. The Licensing Board for the said city shall hold a meeting on the third Wednesday in the month of March, June, September, and December, for the consideration of applications for licenses, and such meeting may be adjourned from time to time by resolution to be recorded on the minute book of the Board.

6. Every application for a license to sell liquors shall be by petition to be filed with the City Clerk at least fourteen clear days before the meeting of the Licensing Board, and shall be accompanied by a fee of \$2.50 to cover the expenses of inspection and license; and a notice of such application shall be inserted twice in some newspaper published within the city, prior to the application, giving full particulars as to names of parties and the premises in respect of which the license is required.

7. Upon receipt of such application the City Clerk shall transmit the same to the Inspector, who shall inspect the premises of the applicant and report in writing to the Board; and such report shall contain—(1) a description, in brief, of the house, premises and furniture; (2) if the application is made by a person who previously held a license in the city, a statement as to the manner in which the house has been conducted during the existence of the previous license; (3) a statement whether the applicant is a fit and proper person to have such a license, and whether he is of good name, fame, and repute; (4) a statement whether the applicant is or is not the true owner of the business of the hotel, saloon, or shop sought to be licensed.

8. The report of the Inspector shall be for the information of the Board, which shall, nevertheless, exercise its own discretion on such application.

9. Any person may, either in person, by petition, or through an agent, oppose the granting of a license to any applicant or to his premises; and all proceedings of the Licensing Board shall be open and public.

10. No license shall be granted to any house in the immediate vicinity of a hospital, school, or church, nor to or for the benefit, directly or indirectly, of any person who is a member of the Licensing Board, or a License Inspector, and any license so issued shall be void.

11. No person who holds a retail license under this by-law shall be permitted to sell by wholesale, unless such person has also taken out a wholesale license.

12. No new license for the sale of liquors shall be granted unless, in addition to the other requirements and provisions in that behalf required by law, a petition or requisition for the granting of such license, signed by a majority of the qualified electors resident within the ward in which are situated the premises in respect of which the license is sought, be presented to the Licensing Board, and the Board shall not be bound to grant such license if, in the opinion of a majority of the Board then present, the public interests justify a refusal.

13. When the Board is satisfied that it is expedient and in the public interest that a license should be granted, and the provisions of this by-law have been complied with, and that the applicant is a fit and proper person to obtain a license, it may direct such license to be issued, subject, however, to the following limitations:—(1) From and after the passing of this by-law the number of hotel licenses issued, or to be issued, in the City of New Westminster shall not exceed thirty until the population of the city shall have been ascertained to be 10,000 or more, and then only

one additional hotel license shall be granted by said Board for each full 500 of population in excess of 10,000, the basis of enumeration to be the yearly census taken by the Assessment Commissioner of the city. (2) From and after the passing of this by-law the number of saloon licenses issued, or to be issued, shall not exceed 10, and if at any time this number should become reduced, through revocation or other causes, no other or more saloon licenses shall be granted in lieu thereof.

14. Every license issued under this by-law shall be in force from the date of its issue until the 31st day of December next following, and no longer; and for each renewal of license expired by lapse of time a new application and inspection must be made and the same formalities must be observed as in the application for a new license, except that no petition shall be required in favour of such renewal of license, as provided in section 12 of this by-law.

15. The following fees, in addition to the inspection fee, shall be paid for each license granted under this by-law:—Saloon license, \$400 per annum; hotel license, \$200 per annum; wholesale license, \$50 per annum; and the said fees shall be paid half-yearly to the City Collector, the first half thereof to be paid prior to the issue of such license, and the other half thereof on or before the 1st day of July, and if not paid as provided in this section, said license shall be absolutely null and void.

16. All licenses granted under this by-law shall be constantly and conspicuously exposed in the warehouses and shops for which they have been granted, and in the bar rooms of hotels and saloons; and every licensee who violates the provisions of this section shall incur a penalty of five dollars and costs for every day's wilful or negligent omission so to expose such license.

17. No person to whom a license has not been granted shall, by any sign or notice, lead the public to suppose he has such a license; and no person shall keep or have in any house, building, shop, eating house, or house of public entertainment, or in any room or place whatsoever, for the purpose of selling, bartering, or trading therein, any intoxicating liquor, unless he be duly licensed for that purpose under the provisions of this by-law.

18. The preceding section shall not apply so as to prevent any practising chemist or druggist, duly authorized under any Act in force in the Province to dispense medicine, from keeping, having, or selling liquors for strictly medicinal purposes, but no such sale shall be made in packages of more than six ounces at a time, except under a certificate from a registered medical practitioner. A record of every sale or disposal of liquors so made, with the name of the person to whom sold or disposed of, and the name of the medical man who granted the certificate for same shall be kept in a book, which may be inspected at all reasonable hours by the License Inspector; but no liquor so sold or disposed of shall be consumed on the premises in which same are sold.

19. Every license under this by-law shall be granted only for the premises mentioned therein, and shall entitle the licensee to keep only one bar on such premises; and no person shall have granted to him or shall have more than one liquor license at the same time.

20. No sale or other disposal of liquors shall take place in any premises licensed under this by-law, by wholesale or retail, or out of or from the same to any person or persons whomsoever from and after the hour of 12 o'clock on Saturday night until 6 o'clock on Monday morning following, nor between the hours of 12 o'clock midnight and 6 o'clock in the morning of any day; and during the prohibited hours all bars shall be closed; provided always that in hotels and saloons liquor may be sold on Sundays to guests *bona fide* boarding or residing at such hotels or saloons, to be consumed only at meals, but this provision shall not permit the furnishing of liquor to such persons at the bar.

21. Every person having a license under this by-law who receives in payment or as a pledge for any liquors supplied in or from his licensed premises anything except current money or the customer's own cheque on a bank or banker, shall, for each for such offence, incur a penalty not exceeding \$20, besides costs.

22. No hotel license shall be given to any premises unless the same have been certified by the Inspector to be clean and convenient for the purposes of a hotel, and that there are sufficient appliances for the escape of guests in case of fire, and that there are in the premises, in addition to what is required for the use of the family and employes of the hotel-keeper, at least 12 bedrooms, together with, in every case, a sufficient quantity of furniture and bedding; and that each of

such bedrooms contains at least 384 cubic feet of space for each person occupying the same, and is provided with a window to open at least two feet square; and every hotel shall, in addition thereto, be shown to the satisfaction of the Board to be a well-appointed and sufficient eating house, with the appliances requisite for serving meals daily to guests or travellers.

23. If at any time after the granting of a license any of the requirements specified in the preceding section should be found wanting, then the license for such hotel shall become null and void.

24. Every person licensed under this by-law who permits drunkenness or any violent, quarrelsome, riotous, or disorderly conduct to take place on his licensed premises, or who sells or delivers intoxicating liquors to any habitual drunkard or intoxicated person, or to any person under the age of 21 years, or who permits any such person to consume intoxicating liquor on his premises, or who permits any person of notoriously bad character to frequent his premises, or permits any gambling or any unlawful game to be carried on or played on his premises, shall be subject to the penalties provided herein and may, in addition, have his license suspended by the convicting Magistrate until the next meeting of the Licensing Board.

25. No person to whom a license has been granted under this by-law shall make or use, or permit to be made or used, any internal communication between any premises so licensed and any unlicensed premises which are used for public entertainment or resort, or as a refreshment room or house, under a penalty not exceeding \$50 for every day during which such communication remains open.

26. Every hotel-keeper licensed under this by-law who fails or refuses, except for some sufficient reason, to supply lodging, meals, and accommodation to any traveller applying therefor within reasonable hours, shall be guilty of a breach of this by-law.

27. Any officer, policeman, constable, or inspector, may, for the purpose of preventing or detecting the violation of any of the provisions of this by-law, which it is his duty to enforce, at any time enter into any and every part of any hotel, saloon, or other place of public entertainment, shop, warehouse, or other place wherein refreshments or liquors are sold or reputed to be sold, whether under license or not, and may search every part thereof, and of the premises connected therewith, as he thinks necessary for the purpose aforesaid; and every person who is therein and who fails or refuses to admit such officer, policeman, constable, or inspector demanding admission in the execution of his duty, or who obstructs or attempts to obstruct the entry of such officer, or interferes with him while searching or inspecting such premises, shall be guilty of a breach of this by-law.

28. The Mayor or Police Magistrate, or other Justice of the Peace having jurisdiction, may, if he is satisfied by information on oath of any officer or other person that there is any intoxicating liquor kept for sale or disposal contrary to the provisions of this by-law in any unlicensed house or place within the city, grant a warrant under his hand and seal, by virtue of which the person named in the warrant may, at any time or times within ten days from the date thereof, enter, and if need be by force, the place named in the warrant, and every part thereof, or of the premises connected therewith, and examine the same and search for liquors therein, and for such purpose may, with such assistance as he deems expedient, break open any door, lock, or fastenings of such premises, or any part thereof, or of any closet, cupboard, box, or other article likely to contain such liquor; and in the event of liquor being so found unlawfully kept on the said premises, the occupant or occupants thereof shall, until the contrary be proved, be deemed to have kept such liquor for the purpose of sale, contrary to the provisions of this by-law.

29. Every person who sells or barter intoxicating liquor of any kind without the license therefor by this by-law required, shall, for the first offence incur a penalty not exceeding \$50, nor less than \$20, with costs; and for the second offence he shall incur a penalty of not less than \$50 nor more than \$100, with costs; and for the third offence he shall incur a penalty of not less than \$100, with costs, or imprisonment for any period not exceeding six months.

30. Any person may be prosecutor or complainant under this by-law, but all information or complaints for the prosecution of any offence against any of the provisions thereof shall be laid or made in writing within thirty days after the commission of the offence.

31. Any person who has lawfully obtained a license under this by-law may, on application to the Licensing

Board, have such license transferred to any other person, or to any other premises, if approved by said Board; but notice of application for all transfers must be given in writing, and such notice must specify the person and premises to whom or which the transfer is proposed to be made, and must be served upon the City Clerk at least 14 clear days before the meeting of the Board, and shall be accompanied by a fee of \$2.50.

32. When in consequence of the death of the person holding a license under this by-law, or in case he, being a tenant of the licensed premises, is ejected, or his lease expires by effluxion of time, or he absconds, or by operation of the law is deprived of the licensed premises, the legal representative of such person, or the landlord or other person interested in the premises, or the assignee at law, may, on application to the Licensing Board, notwithstanding the non-production of the license, obtain a transfer of such license on such terms as may to the Board seem just, and application for such transfer shall be accompanied by the fee of \$2.50, and shall be made as provided in the preceding section; provided, nevertheless, that no such transfer shall be granted unless a majority of the Board is of opinion that the person to whom it is proposed to make the transfer is a proper person to hold such license.

33. With the exception of the Mayor, who is *ex officio* a member of the Licensing Board, no person shall sit or vote as a member of said Board who is owner or lessee of any place where liquors are sold, or proposed to be sold, within the city, or who is a partner of the owner or lessee of such premises, or who has a direct personal interest therein; and any person knowingly disqualified by this section who sits or votes or acts on said Board shall incur a penalty of \$50 for each time he shall so sit, vote or act.

34. At all meetings of the Licensing Board any three members thereof, including the chairman, shall form a quorum, and the Mayor shall be Chairman thereof, if he be present, and in his absence any other member of the Board may be elected to the chair for the time being. All questions coming before the Board shall be decided by a majority of the members then present; the chairman shall vote only in case of a tie.

35. A special meeting of the Board may be called whenever deemed necessary by the Mayor on requisition of a majority of the members thereof, in which case written notice shall be given to each member at least 24 hours previous to the hour fixed for such special meeting, and such notice shall set out the purpose for which the meeting is called, and no other business shall be transacted thereat except such business as is stated in such notice; provided that no license shall be granted or transferred at any special meeting.

36. The City Clerk shall be clerk of the Licensing Board, and shall keep a record of the proceedings thereof in a minute book.

37. The Chief of Police of the City shall be Inspector of Licenses under this by-law.

38. No license shall be granted under this by-law to any person under twenty-one years of age.

39. Any person guilty of a breach of this by-law shall, except where otherwise provided, on conviction, be liable to a penalty not exceeding \$100 for each offence, or to imprisonment for a period not exceeding three months, or to both fine and imprisonment at the discretion of the convicting Magistrate; and all persons against whom information has been laid under the provisions of this by-law may be tried in a summary manner and all penalties inflicted thereunder may be recovered by sale of goods and chattels of the person convicted.

40. The expression "liquor" or "liquors," wherever used in this by-law shall mean and include all spirituous and malt liquors and all combinations of liquors and drinks and drinkable liquids which are intoxicating.

41. It shall be lawful for the Licensing Board at any time to order the cancellation of any licence granted under this by-law, if, in the opinion of a majority of said Board, the person who holds such license has been guilty of such conduct as to justify such cancellation, or the public interest so demands, and the person whose license is thus cancelled shall have no claim whatever upon the city in consequence of such cancellation; and all licenses issued under this by-law shall contain a clause expressly reserving this right of cancellation, and shall otherwise be in such form as may be approved by the City Council.

42. Notwithstanding anything contained in this by-law it shall be lawful for the Licensing Board to hold its first meeting on the 27th day of June, 1889, and any person applying for a license at said first meeting shall be deemed to have complied with the necessary formalities of each application if the petition therefor shall have been filed with the City Clerk 7 clear days before the said first meeting; and all licenses granted at said first meeting shall be and continue in force for the period of six months only, namely, from the 30th day of June, A. D. 1889, to the 31st day of December next following (inclusive) and shall then expire and determine, and the fee to be paid for such license shall be one-half of the annual fee fixed by this by-law for any such license respectively, which fee shall be paid before the issue of such license; but the provisions of this section shall not apply or have any force after the said first meeting of said Board.

43. Sections 1 and 2 of Schedule A of the "New Westminster Revenue By-Law, 1883" are hereby repealed.

44. This by-law may be cited as the "Liquor License By-law, 1889."
